

ICON High School Course Catalog

Dual Credit Courses

ICON offers several opportunities to participate in Dual Credit courses. Dual Credit courses allow students to earn both high school and college credit for the same course.

Environmental Science 100 – Year-Long

Environmental Science Dual Credit is a year-long, Dual-Credit course through CWI. This course will consider scientific principles and their influence on environmental problems in today's society. The role of humans and our impact on these issues will be emphasized. Past, present, and future trends will be evaluated along with the possible impacts of these trends on the local and global populace.
